📍 Azerbaijan, Baku

SUMMARY

I am an accomplished front-end developer with a rich background in web development. Close to 3 years of hands-on experience, I have successfully collaborated with diverse clients as a seasoned freelancer. My proficiency extends across the spectrum of web development and design, where I have honed my skills in creating visually appealing and user-friendly interfaces.

EXPERIENCE

Freelance Front-End developer, Bionuk

bionluk.com/cyweb

Dec 2021 - Present

- More than 150 satisfied customers in total
- I developed UI/UX (mostly Figma and XD) designs as pixel perfect into user-friendly web interfaces.
- Successfully completed projects by communicating effectively with customers and the design team.
- Created web sites that are mobile friendly and responsive to various screen sizes.

Ceo & Web Developer, Cyweb Agency

cywebagency.com

Aug 2021 - May 2023

- Developed many corporate and e-commerce sites with wordpress.
- UI/UX designs were developed with Elementor in WordPress
